

Information on

ECA-Projekt: Certificate for Quality of Internationalisation

At the moment FIBAA Consult is working on the ECA-Projekt "Certificate for Quality in Internationalisation" (CeQuInt). FIBAA-Consult is part of the Steering Group of the project. The main aims and objectives are:

- To assess quality of internationalisation
 - Quality assurance approach (in line with ESG)
 - Qualitative assessment (not quantitative indicators)
- To reward internationalisation
 - Award of a Certificate for Quality in Internationalisation
- To enhance internationalisation
 - Expert report with recommendations
 - Good Practice Workshops
 - Platform for sharing Good Practices

At all there are 14 project partners out of 11 EU-Countries. The project partners are the following:

- Nederlands-Vlaamse Accreditatieorganisatie; Netherlands, Belgium
- Österreichischer Akkreditierungsrat; Austria
- **Foundation for Int. Business Administration Accreditation (FIBAA); Germany**
- Slovenian Quality Assurance Agency for Higher Education; Slovenia
- Commission des Titres d'Ingénieurs; France
- Polish Accreditation Committee; Poland
- National Agency for Quality Assessment and Accreditation; Spain
- Academic Cooperation Association; Belgium
- The Catalan University Quality Assurance Agency; Spain
- Zentrale Evaluations- und Akkreditierungsagentur Hannover; Germany
- Agency for Science and Higher Education; Croatia
- Finnish Higher Education Evaluation Council; Finland
- Evaluation Agency for Research and Higher Education; France
- German Academic Exchange Service; Germany

Last Wednesday, November the 14th, 2012, the first meeting of the Steering Group took place in The Hague, Belgium. It was the start of the project. The aims and objectives shall be realised by March 2015.
